PRESIDENT

Copy of letter No 422 dated 24th September 1944 from the President, Public Library Committee, Mysore, to the President, City Muhicipal Council, Mysore.

I have the honour to forward herewith an extract from the proceedings of the 23rd Annual General Meeting of the members of the Library held on 4-9-1944 requesting for an enhancement of the grant of the Municipality and to state as follows -

The Mysore City Municipality is giving to this Library at Mysore an annual grant of Rs.200/- from June 1925 The statistics herewith sent show that the Library is steadily increasing in popularity In addition to the free-lending of books to the general public including students for use in the premises of the Library, a free reading room liberally furnished with Journals both Indian and Foreign, is being maintained for their benefit These benefits are largely availed of We are anxious to serve the citizens of Mysore to the best of our power and we are having the Library always open from morning to evening, the staff being worked in shifts For increasing the usefulness of the Library and the Reading Room sections still further, we are in need of more funds We are trying to increase the number of paying members and what has been done falls short of our requirements

Under the circumstances, the management feel, they have a good case for approaching the Municipality, for an enhanced grant. They feel assured that with your sympathetic support, the Municipal Council would only be pleased to further enhance their grant by two hundred rupees for the benefit of not only the Public Library, but also, the rate-payers of this beautiful city of ours of which we are proud to be the citizens
